MEMORANDUM FOR DISTRIBUTION

SUBJECT: United States Army Garrison (USAG) Mannheim Command Policy
Memorandum, Washing of Vehicles within USAG Mannheim

1. References:

- a. AER 200-1, Army in Europe Environmental Quality Program, Chapter 4, Section 4-4, October 2007.
- b. Final Governing Standard – Germany, Chapter 4, Sections C4.3.2.1.6.2 and C4.3.8.3.3.4, January 2003.

2. Purpose: To establish a policy for washing vehicles within USAG Mannheim.

3. Policy: The policy applies to all installations within the USAG Mannheim footprint and comprises both military and privately owned vehicles. It pertains to all residents of USAG Mannheim excluding personnel residing off-post. Personnel residing off-post should contact their Buergermeisteramt for assistance.

4. Procedures: Washing of privately owned vehicles is prohibited in the housing areas, as this violates German environmental laws and United States Army Regulations. Residents may wash their cars only at designated car wash locations on Taylor Barracks, Sullivan Barracks or on the economy similar to American car wash facilities.

- a. Military vehicles can be washed at their units designated military wash rack facilities.

- b. Car wash fund raising events may only be conducted at the designated car wash facilities on Taylor Barracks or Sullivan Barracks.

- c. Private organizations who conduct car wash fund raising events should not occupy all wash racks. This will allow space for other authorized individuals to wash their vehicles and not participate in the fund raising event if desired.
